EXPERIENCE:

WEB DESIGNER/GRAPHIC DESIGNER, Blumenthals.com, Olean, NY | **October 2006 - Present**

- Client based web design services with concentration in e-commerce, logos, web interfaces, flash, search engine optimization, and troubleshooting. Fluency with web technologies including HTML, JavaScript, PHP and MySQL is necessary. Examples include www.yourpainsreal.com, www.baldwinhillfarms.com, www.lcwhitford.com, www.duggan-duggan.com, www.bcpac.org, and www.sgndvm.com

IT CONSULTANT, Constructors Association of Western Pa, Pittsburgh, PA | **April 2006 - Present**

- On-call, on-site computer technician overseeing implementation of new hardware and software in a domain based network, as well as troubleshooting configuration and user issues.

FREELANCE WEB DESIGN / GRAPHIC DESIGN, Various Companies | **June 1999 - Present**

- Extensive design and construction of unique, graphic intensive business web sites; including www.goblinchocolates.com, www.sfpaneljam.com, and www.scopelsgetaway.com.
- Develop logos and other graphical work for various companies, including St. Marys Box Company, Hutch's Specialty Advertising, DeLullo's Market, WeParty, East Coast Artie's, and Diversified Wood Products.

GRAPHIC DESIGNER, St. Marys Box Company, St. Marys, PA | **May 2003 - February 2006**

- Implemented and developed the creation and utilization of three individual corporate identities.
- Utilized the corporate identity to create promotional pamphlets, brochures, newspaper ads, marketing products, and other in-house needs.
- Redesigned the corporate logo, new logos for two affiliate companies, and other product logos.
- Created and managed three independent corporate web pages. (www.stmarysbox.com, www.pennypincherpallet.com, www.edgewoodhall.com)
- Employed new marketing techniques including search engine optimization.
- Developed and designed an intricate point of sale database/cash register for a co-op antique store.
- Principal photographer of products for utilization in promotional design and archives.
- Devised 3-D promotional models, photo holders, and large desktop signs for trade shows.
